Welcome to Tettenhall College

Founded in 1863 by a local industrialist, Tettenhall College is an independent, co-educational day and boarding school providing continuous, quality education for children aged from 2 to 18 years. The School currently has 500 pupils, the majority of whom are drawn from across the Midlands, but also includes a vibrant boarding community made up of pupils from over 25 countries worldwide.

The School stands in 30 acres of stunning grounds and woodland situated in the picturesque village of Tettenhall, on the outskirts of the city of Wolverhampton.

Our pupils are known for their positive approach, their appreciation of the staff, of their School and of their fellow pupils, their motivation to learn and their whole-hearted commitment to every aspect of school life. Tettenhall College, in turn, is committed to providing an outstanding personalised education, combining strong academic standards and a wide range of extra-curricular activities.

Academic results are consistently high. Pupils achieve very good GCSE and A Levels. The vast majority of Sixth Form leavers choose to go on to university with many selecting Russell Group institutions and a few each year opting for prestigious international options or competitive, sought-after apprenticeships with major companies. Beyond the classroom, pupils have the opportunity to participate in a wide range of sporting, performance and co-curricular activities, as well as being encouraged to engage in adventure and charitable causes.

The School is an active member of the Society of Heads, the Independent Schools Association and the Boarding Schools Association.

“

*Beyond the classroom, pupils
have the opportunity to
participate in a wide range
of sporting, performance
and co-curricular activities*

”

Working with us

The School combines the best of modern teaching and facilities with the heritage and values of a traditional educational establishment – both in its physical setting and in its ethos. A substantial, recently completed investment programme has created outstanding facilities for the next era of Tettenhall College: modern en-suite study-bedrooms, a state of the art study centre, a new sixth form common room, a library, a multi-purpose all-weather sports facility and squash courts. These investments complement the already impressive facilities of the Victorian Towers Theatre; a charming Victorian indoor heated swimming pool; extensive sports fields and modern IT facilities. A high grade investment in the School's largest boarding house is currently underway.

This commitment to providing the very best facilities is matched by the energy and passion of our inspirational, committed staff who strive to inspire and ensure that all pupils fulfil their personal best. Small class sizes throughout the School ensure individual attention for each pupil with emphasis on the development of the individual. This supportive environment has resulted in the School's excellent reputation for pastoral care – confirmed by a recently awarded well-being award. Support of those pupils who have additional learning needs, including MFL, is a critical element of the School's offering.

This is an exciting time to join Tettenhall College; the leadership team are committed to continuing to increase the School's profile both locally and within overseas markets. Pupil numbers have grown by 25% with a steady increase in boarding. Tettenhall College is now widely recognised as one of the Midlands' leading independent schools and is progressing rapidly towards its goal of becoming one of the best small independent schools in the UK.

“*The well-being of all our staff is of particular importance*”

The well-being of all our staff is of particular importance and, as part of an overall strategy for the School, ongoing initiatives are continually introduced to enhance our working environment.

Staff are entitled to a remission on their children's fees and we encourage all staff to look outwards and focus on continuous professional development.

Our Mission, Vision & Values

“

Our mission is to nurture our pupils to achieve their full potential and discover their unique talents

”

The cornerstone of our community is our vision to be the school of choice for outstanding personalised education, inspiring every pupil to excel academically and beyond. Our mission is to nurture our pupils to achieve their full potential and discover their unique talents in an educational setting where they will thrive and be happy. Our exceptional staff motivate pupils to embrace challenge, giving them the best preparation for life and personal success.

Ambition

We strive for excellence in every aspect of our work and have high aspirations for our pupils. We encourage resilience by embracing mistakes as learning opportunities.

Opportunity

We foster self-belief. We provide academic challenge, personalised support and a breadth of learning opportunities

Creativity

We have the freedom to adapt our education to find the most effective way to meet our pupils' needs. We recognise that nurturing creativity is vital in today's world.

Community

We have a safe and secure family environment throughout our School. We look to promote our shared values and respect for each other. We equally want pupils to look outwards, act responsibly and become valued global citizens.

Character

We cultivate emotional intelligence, well-being and self respect and promote healthy and balanced lifestyles.

The Role

The role of the School Nurse at Tettenhall College is to support pupils' health and wellbeing in order for pupils to fully participate in active School life. He/she is expected to promote and provide a clinically effective, high-quality service of nursing care to pupils and first aid care to all members of the School community. He/she will provide a holistic approach to the care of pupils, which includes health promotion, PSHE and illness and injury assessment and treatment. He/she should be a registered nurse with relevant post-registration experience.
